## The Sweets Architect

India is a nation of beautiful people who celebrate every pleasant thing in their lives with a sweet. Sri Krishna Sweets is extremely proud and thrilled to be a central part of every Indian's life.

Sri Krishna Sweets is a celebration of you, your relationships and the bond you have with people who matter to you. Coming from small beginnings of RS Puram, Coimbatore, where sweet hawkers doled out their gulab jamoons, rosogollas, jilebis, laddoos and gajar halwas, one tiny standalone sweet store rose to national fame with its trademark product, the Mysurpa. Thus started our journey of "sweetening every deal".

Needless to say, the globally famed Mysurpa remains our flagship product. The Mysurpa as you know it today is the brainchild of Dr. M Krishnan, the Chairman and Managing Director of Sri Krishna Sweets. This melting magic delicacy is the result of Dr. Krishnan's passionate pursuit for a way to give the hard and brittle Mysore Pak a better appeal. What resulted is the unrivalled king of sweets, the Sri Krishna Sweets Mysurpa.

Very soon, this very delectable 'sweet' started winning awards & recognitions and became a symbol of all that Sri Krishna Sweets stands for - inventiveness, attention to detail and passion for work.

# The making of the famous Sri Krishna Sweets MYSURPA

The **Mysurpa** as you know it today originated from the Mysore Pak—a delicacy that was first prepared in the kitchens of the Mysore Palace during the regime of Krishna Raja Wadiyar IV. The cook, Kakasura Madappa lovingly named his creation Mysore Pak. This brittle and porous delicacy attained legendary name and fame from the mouths of every person who consumed it....till Sri Krishna Sweets reinvented the **Mysore Pak** to the **Mysurpa** which melts in the mouth.

An encounter with the Mysurpa became a revelation to anyone who has been a fan of Kakasura Madappa's Mysore Pak and variants that are available throughout India. Mysurpa not only set out to be a revolution of sorts but soon overtook some of the most famous sweets of India as everyone's hot favourite. The Mysurpa continues to inspire thousands of its impersonators.
